

## Allone Solution Has Success in the Outstanding Enterprise Category at the 16th Annual Golden Peak Awards

November 7th, 2014

ALLONE, Taiwan's leading IC design and DRAM storage solution company was recognized as the Outstanding Enterprise of the Year in the Cloud Disk Drive 101 Turbo and Cloud Disk Drive 101 Cache Pro product category at the 16th Annual Golden Peak Awards. The presentation ceremony took place on September 26th in Taipei CPC building.

The Golden Peak Awards recognizes organizations which are making a significant contribution to the development of new markets. ALLONE was one of over 400 companies evaluated in the categories of Outstanding Enterprise, Outstanding Leader, and Outstanding Product for large enterprises, SMEs, and micro enterprises.

The company won the Outstanding Enterprise award based on its innovation, attributed efforts, high value quality and continuous endeavors to expand in business. The Golden Peak Award not only recognizes ALLONE's contribution to Taiwan's industry but also gives very positive encouragement.

## About ALLONE

Allone Solution Company was established in Taiwan in 2010 initially focusing on IC design and storage system products. The principal aim was to develop and grow markets worldwide. For more information, please visit [www.all1.com.tw](http://www.all1.com.tw)
